It's a little bit funny, this _____
I'm not one of those _____ easily hide, I
Don't have much money but boy, if I did
I'd buy a _____ where we both could live

If I was a sculptor but then again, no
Or a _____ potions in a traveling show
Oh, I know it's not much but it's the best I can do
My gift is _____
And this one's for you

And you can _____ this is your song
It may be quite simple but now that it's done
I hope you _____
I hope you don't mind
That I put down in _____
How wonderful life is while you're in the _____

I sat on _____ and kicked up the moss
Well, a few of the verses, well, they've got me quite cross
But the sun's been _____
While I wrote this song
It's _____ like you that
Keep it turned on

So _____ forgetting
But these things, I do
You see, I've forgotten
If they're green or _____
Anyway, the thing is, what I really mean
Yours are the _____ I've ever seen

And you can tell everybody this is _____
It may be quite simple but
Now that it's done
_____ you don't mind
I hope you don't mind
That I put down _____
How wonderful life is while you're in _____
I hope you don't mind
I hope you don't mind
That _____ in words
How _____ is while you're in the world
